 Serve the World Through Jesus Christ

Super Summer Coming!
July 5th though July 30th

It's time to start planning your children's summer's activities. At New Colony we are excited to announce our 18th year of Super Summer. We have an exciting four weeks of summer day camp planned for the month of July. Applications are coming in every day for kids ages 5 through 12 who want to attend Super Summer— some for the first time. **Contact the church office if you want an application sent to you or a friend while there is still space left.**

We are blessed to have Robyn Marsh as our Super Summer coordinator for the 4th year in a row! Two Super Summer missionaries from Georgia, Chinee and Anna Panlilio, will be joining her at the beginning of June to assist in the design, promotion and running of this exciting program throughout the next two months. We have learned that seasoned super summer veteran Holly Sewall from Kennesaw State University will also be returning to help us out for weeks 2,3 and 4. We hope that you will invite these wonderful girls to your home, share a meal with

Super Summer Missionaries

Chinee and Anna Panlilio—this year's Super Summer Interns are the back bone of our Super Summer program. These Georgian college students arrive at the beginning of June to work tirelessly with our Super Summer director to coordinate all of our Super Summer activities. Typically, they work with all of the super summer teams, design crafts, plan activities, hang out with campers, and supervise all super summer events. These Godly women could be spending their summers working, taking classes or hanging out with friends. Instead they bless us with their energy, enthusiasm and hard work. They are on Mission for the Lord and it shows in everything they do!

This year's dynamic duo are sisters who attended First Baptist Church in Forest Park, GA as teens, and are now attending separate colleges in Georgia. Chinee attends Clayton State University and Anna attends Georgia Institute of Technology. While rivals on the playing field, both women share a strong faith and trust in Jesus Christ as their personal Savior.

Please pray for these woman as they arrive and settle into their summer's work for us. Take the time to get to know them, listen to their personal stories and encourage them with yours. Next month's newsletter will include pictures of the missionaries as well as a personal testimonial from them.

Holly Sewall, last year's Super Summer Intern, will be returning at her own expense to assist us this summer. Holly has been living in Atlanta, Georgia for the last couple of years and just finished up her Sophomore year at Kennesaw State University where she is pursuing a degree in Early Childhood Education. We appreciate her passion for children and are looking forward to catching up with her and seeing how God will use her here this summer.

Chinee and Anna Panlilio will arrive at New Colony on Tuesday, June 1. Make sure you introduce yourself to them in church on Sunday, June 6th and get to know them. We're so excited that they have decided to follow God's call to our church!!

Super Summer Music Week **July 5-9**

“Simon Says: The Rockin’ Trial of Simon Peter” “Simon Says” presents New Testament characters with a modern day twist and loads of fun! The script and songs are rich with Scripture and the music “rocks”! The musical opens with Simon Peter in the courtroom; he’s charged with fraud for preaching that Christ is the Son of God and the Messiah. He must either prove himself truthful or cease and desist preaching. Eyewitnesses are called to present overwhelming evidence that Jesus is exactly who “Simon Says.”

Pray for the kids as they learn the drama, the music and the truths of Scripture. Then join us on Friday July 9th at 7:00 pm, as they present “Simon Says” for us, their families and their friends!

Tenwek 10 Update

The Tenwek 10 thanks everyone in the community for helping with the Compassion for Kenya concert on May 22nd. Many of you helped to set up, breakdown, or greet people at this very special concert. About 80 people attended this concert to raise funds to go to Kenya. \$1300 was raised!

For those that weren't able to attend the concert, here is a special note from the team contained in the program:

On July 15th our team will be traveling to Kenya to spend a week on Mfangano Island and one week at Tenwek Hospital. While in Mfangano we will be serving at clinics, the Gethesmane Garden Christian Centre (GGCC) and a local orphanage, as well as assisting other missions' teams with several construction projects. At Tenwek Hospital we will have the privilege to work alongside New Colony's own Crognale family, Drs. Dino and Janice Crognale, who are both serving as medical missionaries. At Tenwek, we will serve the hospital's patients and staff as well as ministering to the local widows and children.

There are many ways that our New Colony family can assist this special ministry.

Please pray for the team members!

Pray for the families of the team!

Pray for the people they will serve!

Pray for continued fund raising!

Pray for good health and safe travel!

Super Summer Volunteers Needed

If you have attended New Colony for any length of time, you know that we are a church who believes in missions, both foreign and domestic. New Colony members have served in Kenya, Costa Rica, New Guinea, Louisiana, Dominican Republic, and South Africa, as well as locally. We love that some of our Southern Baptist Disaster Relief teams choose to stay here at the church and mud out the houses of people within our community. But did you know that Super Summer is also an incredible mission field as well? Right here in the streets of Billerica are hundreds of children who are yearning to learn about the love of Jesus Christ. For the month of July we have the opportunity to minister to them and their families in a very real way. Many of those children are not members of a faith community. This may be the only opportunity they have to learn about the redeeming love of Jesus Christ. Would you like to be a part of this? Here's how:

New Colony Needs You!

- ✓ Sign up to help New Colony run Arts and Crafts Week. July 26-30. (8:30-12:30 Monday through Friday)
- ✓ Donate Arts and Crafts items.
- ✓ Donate Snacks.
- ✓ Volunteer to greet Super Summer kids and families on any other week.
- ✓ Much, Much, More!

Contact Robyn Marsh at 978-857-0769 to ask questions about what is needed.

*This is my letter to the world,
That never wrote to me,
The simple news that Nature told,
With tender majesty.*

*Her message is committed
To hands I cannot see;
For love of her, sweet countrymen,
Judge tenderly of me! -
Emily Dickenson*

Emily Dickinson, objectively one of the country's best poets, stashed all of her beautiful poems (almost 2,000 of them) in a dresser drawer only to be discovered after her untimely death in her early 40's. Imagine what she could have done if she was attached to a community of believers and used her rare talent to build up God's people while she was alive. We might not have gotten this beautiful poem, but perhaps there was something better in store for her — and for you.

THE AMAZING RACE:::: THE SEARCH FOR

June 13th from 4-8 pm

**Never knowing where this race will take you,
or what you will have to do once you are there...
You will have to work together in your team to find our
very *special*, very **big**, and very *missing* Pig!
(and hopefully find something else along the way :o)**

Our last CrossCulture of the year will commence with a BBQ and our annual search for Gigundo Pig—all around the streets of Billerica.

We will be joined by Community Congregational Youth Group and look forward to an amazing time! Please bring a drink or side food to share!!! Do not forget that Permission Slips are required since we will be driving around Billerica.
