

# Jesus Has Left, What Now?

Dr. Phil Wilkes

May 5, 2019

Sermon Audio file

When a family member dies do you know where to look for all the important documents like a will, retirement account information, investments, banking information, passwords to social media sites? The disciples had to be asking themselves, Jesus is gone-now what?

Their instructions were to wait in Jerusalem for the Holy Spirit. Jesus instructed the disciples, once filled with the Holy Spirit, to make disciples in the world. Not an easy task yet a very important one.

Jesus instructions are for us as well. "Go into all the world and make disciples." Our task as Christians is to share the gospel with people. It is God who brings the results in peoples lives. Who do you know that needs you to share Christ with them?
