What do you tell Christians to help them develop their faith when you have never met them? How can you encourage believers to remain faithful to following Jesus? In the letter to the Colossians the Apostle Paul writes to Christians he has never personally met. But he wants to encourage believers and build them up in their faith in Christ so they are not deceived by false teachings. We face the same challenges today. We find practical help in Colossians on how to remain focused on Jesus and the Kingdom of God.
