Have you ever gone to school with someone or worked with someone who, it seems, is regularly seeking help from you? There's nothing wrong with asking for help. However, this person never returned to you expressing their gratitude for your time and assistance.

We can also do that to God. Some Christians are constantly asking God for help but never take time to express gratitude to God for that help. Jesus healed ten lepers on one occasion. However, only one came back to express gratitude to our Lord.

Let this message help you live a life of gratitude.
